In England, The Education and Skills Funding Agency (ESFA) is accountable for funding education and training for children, young people and adults. All funding information can be found on the funding [Hub](#). You should always check the Hub for the most up-to-date funding information.

Note on Level 3 Diplomas and Extended Diplomas:

1. Students who are **18 years old** on the 31st August 2018 and have not already achieved a full Level 3 or above, are eligible to be fully funded by the ESFA for the UAL Level 3 Diploma (year 1) and Extended Diploma (year 2), as long as they have been registered on the full Extended Diploma before their 19th birthday.
2. Students aged **19-23** who have not already achieved a full Level 3 or above, are eligible to be fully funded by the government (via legal entitlement) for the UAL Level 3 Diploma and Extended Diploma as long as they are registered before 31 July 2019.
3. If students choose to progress to the Extended Diploma and have not registered on this qualification before 31 July 2019, tuition fees will apply. By successfully achieving a UAL Diploma, students will gain a full Level 3 qualification; therefore any fee remission will not apply for the Extended Diploma. Students can pay for their tuition fees (year 2) via an Advanced Learner Loan.
4. 19+ students who have already undertaken a Level 3 qualification or above, and who wish to fund either the Diploma or Extended Diploma via an Advanced Learner Loan must register on the qualification before 31st July 2019.
